Article 3 (Convening of shareholders' meetings and meeting notices)

Unless otherwise provided by law or regulation, the Company's shareholders' meetings shall be convened by the Board of Directors.

When the Company convenes a virtual shareholders' meeting, unless the Regulations Governing the Administration of Shareholder Services of Public Companies specify others, the articles of incorporation shall describe procedures in detail, and the resolution of the board of directors shall be adopted, and the virtual shareholders' meeting shall be attended by more than two-thirds of the directors of the board and with resolution made based on the consents of a majority of attending directors.

Changes to how the Company convenes its shareholders' meeting shall be resolved by the board of directors, and shall be made no later than mailing of the shareholders' meeting notice.

30 days before an annual shareholders' meeting or 15 days before an extraordinary shareholders' meeting, the Company shall prepare electronic files of the meeting notice, proxy form, information on proposals for ratification, matters for discussion, election or dismissal of directors and other matters on the agenda and upload them to the Market Observation Post System (MOPS). Meanwhile, 21 days before the Company convenes an annual shareholders' meeting or 15 days before an extraordinary shareholders' meeting, it shall prepare an electronic file of the shareholders' meeting agenda handbook and the supplementary materials and upload them to the MOPS. 15 days before a shareholders' meeting, the meeting handbook and supplementary materials should be available for shareholders to review at any time, displayed at the Company and its authorized shareholder service agency and distributed at the shareholders' meeting.

For the meeting agenda and supplemental meeting materials described in the preceding paragraph, the Company shall provide them to the shareholders for review on the convention date of the shareholders' meeting according to the following method:

- I. For physical shareholders' meetings, to be distributed on-site at the meeting.
- II. For hybrid shareholders' meetings, to be distributed on-site at the meeting and shared on the virtual meeting platform.
- III. For virtual shareholders' meetings, electronic files shall be shared on the virtual meeting platform

Matters to be specified in notices and announcements: With the consent of the addressee, the notice may be given in an electronic form.

Election or dismissal of directors; amendments to the Articles of Incorporation; reduction of capital; application for ending of public offering; approval to remove the non-compete clause for the directors; capitalization of earnings; capitalization of legal reserve; dissolution, merger, or demerger; or any matter in each subparagraph of Paragraph 1 under Article 185 of the Company Act, Articles 26-1 and 43-6 of the Securities and Exchange Act, and Articles 56-1 and 60-2 of the Regulations Governing the Offering and Issuance of Securities by Securities Issuers, shall be set out and the essential contents explained in the notice of the shareholders' meeting. None of the above matters may be raised by an extempore motion.

Where an election of all directors and the onboarding date are stated in the notice of the shareholders' meeting, the onboarding date may not be changed by extempore motion or any other means at the same meeting once the election has been completed at the shareholders' meeting.

A shareholder holding one percent or more of the total number of the issued shares may submit to the Company a proposal for discussion at a general shareholders' meeting. The number of items so proposed is limited only to one, and no proposal containing more than one item will be included in the meeting agenda. A shareholder's proposal in alignment with any circumstance under any subparagraph of paragraph 4 of Article 172-1 of the Company Act may not be included in the meeting agenda by the Board of Directors. A shareholder may propose a recommendation for urging the Company to promote public interests or fulfill its social responsibilities, provided procedurally the number of items so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda.

Prior to the book closure date before an annual shareholders' meeting is held, the Company shall publicly announce its acceptance of shareholders' proposals in writing or by electronic means and the location and time period for their submission. The period for acceptance of shareholders' proposals may not be fewer than 10 days.

Each of such proposals from shareholders is limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the general shareholders' meeting to take part in the discussion of the proposal.

The company shall, prior to preparing and delivering the shareholders' meeting notice, inform, by a notice, all the proposal submitting shareholders of the proposal screening results, and shall list in the shareholders' meeting notice the proposals conforming to the requirements set out in this Article. With regard to the proposals submitted by shareholders but not included in the agenda of the meeting, the cause of exclusion of such proposals and explanation shall be made by the board of directors at the shareholders' meeting to be convened.

Article 4: (Proxy for attendance at shareholders' meetings and authorization)

For each shareholders' meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by the Company and stating the scope of the proxy's authorization.

Each shareholder may issue only one proxy form and appoint only one proxy for any given shareholders' meeting and shall deliver the proxy form to the Company at least 5 days before the date of the shareholders' meeting. When a duplicate proxy form is served, the one received earliest shall prevail, unless a declaration is made to cancel the previous proxy form.

Once a proxy form is received by the Company, if a shareholder wishes to attend the shareholders' meeting in person or to exercise their voting rights in writing or by electronic means, a written proxy rescission notice shall be filed with the Company 2 days prior to the date of the shareholders' meeting, otherwise, the voting power exercised by the authorized proxy at the meeting shall prevail.

After a proxy form has been delivered to the Company, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be submitted to the Company before 2 business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

Article 5: (Principles for the venue and time of a shareholders' meeting)

The venue for a shareholders' meeting shall be the premises of the Company or a place easily accessible to shareholders and suitable for a shareholders' meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to independent directors' opinions with respect to the place and time of the meeting.

The restrictions on the place of the meeting shall not apply when the Company convenes a virtual shareholders' meeting.

Article 6: (Preparation of a sign-in book and other documents)

The Company shall specify in its shareholders' meeting notices the time during which attendance

registrations for shareholders, solicitors and proxies (collectively referred to as "shareholders") will be accepted, the place to register for attendance, and other matters for attention.

The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations. For virtual shareholders' meetings, shareholders may begin to register on the virtual meeting platform 30 minutes before the meeting starts. Shareholders completing registration will be deemed as attend the shareholders' meeting in person.

Shareholders shall attend shareholders' meetings based on attendance cards, sign-in cards, or other certificates of attendance. The Company may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

The Company shall furnish the attending shareholders with a sign-in book or attending shareholders may hand in a sign-in card in lieu of signing in.

The Company shall furnish attending shareholders with the meeting agenda book, annual report, attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an election of directors, pre-printed ballots shall also be furnished.

When the government or a juridical person is a shareholder, it may be represented by more than one representative at a shareholders' meeting. When a juridical person is appointed to attend as a proxy, it may designate only one person to represent it in the meeting.

In the event of a virtual shareholders' meeting, shareholders planning to attend the meeting online shall register with the Company 2 days before the meeting date.

In the event of a virtual shareholders' meeting, the Company shall upload the meeting agenda book, annual report and other meeting materials to the virtual meeting platform at least thirty minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

Article 6-1 (Convention of virtual shareholders' meeting, and required particulars for shareholders' meeting notice)

To convene a virtual shareholders' meeting, the Company shall include the follow particulars in the shareholders' meeting notice:

- I. How shareholders attend the virtual meeting and exercise their rights. How shareholders attend the virtual meeting and exercise their rights.
- II. Actions to be taken if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events, at least covering the following particulars:
 - (I) To what time the meeting is postponed or from what time the meeting will resume if the above obstruction continues and cannot be removed, and the date to which the meeting is postponed or on which the meeting will resume.
 - (II) Shareholders not having registered to attend the affected virtual shareholders' meeting shall not attend the postponed or resumed session.
 - (III) In case of a hybrid shareholders' meeting, when the virtual meeting cannot be continued, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders' meeting online, meets the minimum legal requirement for a shareholders' meeting, then the shareholders' meeting shall continue. The shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, and the shareholders attending the virtual meeting online shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders' meeting.
 - (IV) Actions to be taken if the outcome of all proposals have been announced and extraordinary motion has not been carried out.
- III. To convene a virtual shareholders' meeting, appropriate alternative measures available to shareholders with

difficulties in attending a virtual shareholders' meeting online shall be specified. Except for the circumstances under Paragraph 6 of Article 44-9 of the Regulations Governing the Administration of Shareholder Services of Public Companies, the Company shall provide shareholders with at least connection equipment and necessary assistance and state the period during which shareholders may apply to the Company for such equipment or assistance and other relevant matters to be noted.

Article 7: (Chair of the shareholders' meeting and attendees in a non-voting capacity)

If a shareholders' meeting is convened by the Board of Directors, the meeting shall be chaired by the Chairman. When the Chairman is on leave or unable to exercise the powers as the chair for any reason, the Vice Chairman shall chair the meeting on his behalf. Where there is no such a position as Vice Chairman or the Vice Chairman is on leave or unable to exercise the powers as the chair for any reason, the Chairman shall appoint one of the managing directors to act as the chair. Where there is no such a position as managing director, the Chairman shall appoint one of the directors to act as the chair. Where the Chairman fails to make such a designation, the managing directors or directors shall select, from among themselves, one person to serve as the chair.

When a managing director or director serves as the chair, as referred to in the preceding paragraph, the director shall have held that position for 6 months or more with great understanding of the Company's financial position and business conditions. The same shall apply for a representative of a institutional director to serve as the chair.

It is advisable that shareholders' meetings convened by the Board of Directors be chaired by the Chairman in person and attended by a majority of the directors and at least one member from each functional committee as representatives. The attendance shall be recorded in meeting minutes.

Where a shareholders' meeting is convened by a party with power to convene other than the Board of Directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

The Company may appoint its attorneys, CPAs, or relevant persons retained by it to attend a shareholders' meeting in a non-voting capacity.

Article 8: (Audio or video recordings as evidence of the shareholders' meetings)

The Company shall make an uninterrupted audio and video recording of the entire process of the shareholders' meeting from shareholders' sign-in, the proceedings of the meeting, as well as the process of voting and vote counting.

The audio and video recording in the preceding paragraph shall be kept for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Where a shareholders' meeting is held online, the Company shall keep records of shareholder registration, sign-in, check-in, questions raised, votes cast and results of votes counted by the Company, and continuously audio and video record, without interruption, the proceedings of the virtual meeting from beginning to end.

The information and audio and video recording in the preceding paragraph shall be properly kept by the Company during the entirety of its existence, and copies of the audio and video recording shall be provided to and kept by the party appointed to handle matters of the virtual meeting.

In case of a virtual shareholders' meeting, the Company is advised to audio and video record the back-end operation interface of the virtual meeting platform.

Article 9: (Counting of the shares represented by shareholders in attendance at shareholders' meetings)

Attendance at shareholders' meetings shall be counted based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in, and the shares checked in on the virtual meeting platform, plus the number of shares whose voting rights are exercised by correspondence or electronically.

The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned. In the event of a virtual shareholders' meeting, the Company shall also declare the meeting adjourned at the virtual meeting platform.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Paragraph 1 of Article 175 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders' meeting shall be convened within one month. In the event of a virtual shareholders' meeting, shareholders intending to attend the meeting online shall re-register to the Company in accordance with Article 6.

When, prior to conclusion of the meeting, the attending shareholders represent a majority of the total number of outstanding shares, the chair may resubmit the tentative resolution for a vote by the shareholders' meeting pursuant to Article 174 of the Company Act.

Article 10 (Discussion of proposals)

When a shareholders' meeting is convened by the Board of Directors, the agenda is determined by the Board of Directors. All the proposals (including Extraordinary Motion and amendments to original proposals) shall be voted in sequence. The meeting shall be proceeded according to the agenda, which cannot be changed unless resolved by the shareholders' meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the power to convene other than the Board of Directors.

Before the conclusion of the agenda (including Extraordinary Motion) mentioned in the two preceding paragraphs, the chair may not announce adjournment unless resolved by the meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the Board of Directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders to continue the meeting.

The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or Extraordinary Motion put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed, call for a vote, and schedule sufficient time for voting.

Article 11: (Speeches by shareholders)

Before speaking, an attending shareholder shall specify on a speaker's slip the subject of the speech, the shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech is not in alignment with the subject on the speaker's slip, the spoken content shall prevail.

Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes; if the shareholder's speech violates the rules or exceeds the scope of the motion, the chair may have the shareholder stop the speech.

Attending shareholders may not interfere with the speaking shareholders without the Chairman's consent and the speaking shareholders. The Chairman will have the violating shareholders stopped.

When an institutional shareholder appoints two or more representatives to attend a shareholders' meeting, only one of the representatives so appointed may speak on the same proposal.

After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

Where a virtual shareholders' meeting is convened, shareholders attending the virtual meeting online may

raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declaring the meeting adjourned. No more than two questions for the same proposal may be raised. Each question shall contain no more than 200 words. The regulations in Paragraphs 1 to 5 do not apply.

As long as questions so raised in accordance with the preceding paragraph are not in violation of the regulations or beyond the scope of a proposal, it is advisable the questions be disclosed to the public at the virtual meeting platform.

Article 12 (Calculating of votes and the system of recusal)

Votes cast at shareholders' meetings shall be calculated based on numbers of shares.

With respect to resolutions by a shareholders' meeting, the number of shares held by a shareholder without voting rights shall not be calculated as part of the total number of outstanding shares.

When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of the Company, that shareholder may not vote on that item and may not exercise voting rights as a proxy for any other shareholder.

The number of shares for which voting rights may not be exercised under the preceding paragraph shall not be counted toward the number of the voting rights represented by attending shareholders.

With the exception of a trust enterprise or a stock affairs agency approved by the competent securities authority, when one person is concurrently appointed as a proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of the issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the counting.

Article 13 (Methods for voting, scrutineering, and vote counting)

Each share is entitled to one vote, except when the shares are restricted or deemed non-voting shares under the second paragraph Article 179 of the Company Act.

When the Company holds a shareholders' meeting, it shall adopt the exercise of voting rights by electronic means and may adopt the exercise of voting rights by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders' meeting notice. A shareholder's exercise of voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived their rights with respect to the Extraordinary Motion and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of Extraordinary Motion and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company at least 2 days before the date of the shareholders' meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders' meeting in person or via visual communication method, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company, by the same means by which the voting rights were exercised, before 2 business days before the date of the shareholders' meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. If the shareholder exercises the voting right in writing or by electronic means and appoints a proxy with a proxy form to attend the shareholders' meeting, the voting right exercised by the attending proxy at the meeting shall prevail.

Except as otherwise provided in the Company Act and in the Company's Articles of Incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a vote by the shareholders. After the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered on the MOPS.

When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected and no further voting shall be required.

Scrutineers and vote counting personnel for the voting on proposals shall be appointed by the chair, provided all scrutineers be shareholders of the Company.

Vote counting for proposals or elections at a shareholders' meeting shall be conducted in public at the place of the shareholders' meeting. Immediately after vote counting has been completed, the results of the voting, including the numbers of votes, shall be announced on-site and recorded.

When the Company convenes a virtual shareholders' meeting, after the chair declares the meeting open, shareholders attending the meeting online shall cast votes on proposals and elections on the virtual meeting platform before the chair announces the voting session ends or will be deemed abstained from voting.

In the event of a virtual shareholders' meeting, votes shall be counted at once after the chair announces the voting session ends, and results of votes and elections shall be announced immediately.

When the Company convenes a hybrid shareholders' meeting, if shareholders who have registered to attend the meeting online in accordance with Article 6 decide to attend the physical shareholders' meeting in person, they shall revoke their registration 2 days before the shareholders' meeting in the same manner as they registered. If their registration is not revoked within the time limit, they may only attend the shareholders' meeting online.

When shareholders exercise voting rights by correspondence or electronic means, unless they have withdrawn the declaration of intent and attended the shareholders' meeting online, except for extraordinary motions, they will not exercise voting rights on the original proposals or make any amendments to the original proposals or exercise voting rights on amendments to the original proposal.

Article 14: (Elections)

The election of directors at a shareholders' meeting shall be held in accordance with the applicable election and appointment rules adopted by the Company, and the voting results shall be announced on-site immediately, including the names of those elected and the number of votes received and the names of those not elected and the number of votes received.

The ballots for the election referred to in the preceding paragraph shall be sealed with the signatures of the scrutineers and kept in proper custody for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

Article 15: (Meeting minutes and items to be signed)

Matters relating to the resolutions by a shareholders' meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in an electronic form.

Said distribution may be announced through the MOPS.

Meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions are adopted, and a summary of the deliberations and voting results (including the number of votes), and disclose the number of votes won by each candidate in the event of an election of directors. The minutes shall be retained for the duration of the existence of the Company.

Where a virtual shareholders' meeting is convened, in addition to the particulars to be included in the meeting minutes as described in the preceding paragraph, the start time and end time of the shareholders' meeting, how the meeting is convened, the chair's and secretary's name, and actions to be taken in the event of disruption to the virtual meeting platform or participation in the meeting online due to natural disasters, accidents or other force majeure events, and how issues are dealt with shall also be included in the minutes.

When convening a virtual shareholders' meeting, other than compliance with the requirements in the preceding paragraph, the Company shall specify in the meeting minutes alternative measures available to

shareholders with difficulties in attending a virtual shareholders' meeting online.

Article 16: (Public announcement)

On the day of a shareholders' meeting, the Company shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation, the number of shares represented by proxies and the number of shares represented by shareholders attending the meeting by correspondence or electronic means, and shall make an express disclosure of the same at the place of the shareholders' meeting. In the event a virtual shareholders' meeting, the Company shall upload the above meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

During the Company's virtual shareholders' meeting, when the meeting is called to order, the total number of shares represented at the meeting shall be disclosed on the virtual meeting platform. The same shall apply whenever the total number of shares represented at the meeting and a new tally of votes is released during the meeting.

If any resolutions by the shareholders' meeting are material information as stipulated by laws and regulations or Taiwan Stock Exchange Corporation (Taipei Exchange), the Company shall upload the content to the MOPS prior to a deadline

Article 17 (maintenance of order)

Staff handling administrative affairs of a shareholders' meeting shall wear an identification badge or an armband.

The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification badge or an armband, reading "Proctor."

At the place of a shareholders' meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chair may prevent the shareholder from so doing.

When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

Article 18 (intermissions and resumption of meeting)

When a meeting is in progress, the chair may announce a break based on time considerations. If a force majeure event occurs, the chair may rule the meeting temporarily suspended and announce a time when, in view of the circumstances, the meeting will be resumed.

If the venue can no longer be used before the conclusion of the shareholders' meeting agenda (including Extraordinary Motion), the shareholders' meeting may decide to resume the meeting at a different venue.

A resolution may be adopted at a shareholders' meeting to defer or resume the meeting within five days in accordance with Article 182 of the Company Act.

Article 19 (Disclosure of information at virtual meetings)

In the event of a virtual shareholders' meeting, the Company shall disclose real-time results of votes and election immediately after the end of the voting session on the virtual meeting platform according to the regulations, and this disclosure shall continue at least fifteen minutes after the chair has announced the meeting adjourned.

Article 20 (Location of chair and secretary of virtual shareholders' meeting)

When the Company convenes a virtual shareholders' meeting, both the chair and secretary shall be in the same location, and the chair shall declare the address of their location when the meeting is called to order.

Article 21 (Handling of disconnection)

In the event of a virtual shareholders' meeting, the Company may offer a simple connection test to shareholders prior to the meeting, and provide relevant real-time services before and during the meeting to help resolve communication technical issues.

In the event of a virtual shareholders' meeting, when declaring the meeting open, the chair shall also declare, unless under a circumstance where a meeting is not required to be postponed to or resumed at another time under Paragraph 4 of Article 44-20 of the Regulations Governing the Administration of Shareholder Services of Public Companies, if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events before the chair has announced the meeting adjourned, and the obstruction continues for more than 30 minutes, the meeting shall be postponed to or resumed on another date within 5 days, in which case Article 182 of the Company Act shall not apply.

For a meeting to be postponed or resumed as described in the preceding paragraph, shareholders who have not registered to participate in the affected shareholders' meeting online shall not attend the postponed or resumed session.

For a meeting to be postponed or resumed under the second paragraph, the number of shares represented by, and voting rights and election rights exercised by the shareholders who have registered to participate in the affected shareholders' meeting and have successfully signed in the meeting, but do not attend the postpone or resumed session, at the affected shareholders' meeting, shall be counted towards the total number of shares, number of voting rights and number of election rights represented at the postponed or resumed session.

During a postponed or resumed session of a shareholders' meeting held under Paragraph 2, no further discussion or resolution is required for proposals for which votes have been cast and counted and results have been announced, or list of elected directors.

When the Company convenes a hybrid shareholders' meeting, and the virtual meeting cannot continue as described in Paragraph 2, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders' meeting online, still meets the minimum legal requirement for a shareholders' meeting, then the shareholders' meeting shall continue, and postponement or resumption of the meeting under Paragraph 2 is not required.

Under the circumstances where a meeting should continue as in the preceding paragraph, the shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, provided these shareholders shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders' meeting.

When postponing or resuming a meeting according to the second paragraph, the Company shall handle the preparatory work based on the date of the original shareholders' meeting in accordance with the requirements listed under paragraph 7, Article 44-20 of the Regulations Governing the Administration of Shareholder Services of Public Companies.

For dates or period set forth under Article 12, second half, and paragraph 3, Article 13 of Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of Public Companies, and paragraph 2, Article 44-5, Article 44-15, and paragraph 1, Article 44-17 of the Regulations Governing the Administration of Shareholder Services of Public Companies, the Company shall handle the matter based on the date of the shareholders' meeting that is postponed or resumed under the second paragraph.

Article 22 (Handling of digital divide)

Except for the circumstances under Paragraph 6 of Article 44-9 of the Regulations Governing the Administration of Shareholder Services of Public Companies, the Company shall provide shareholders with at least connection equipment and necessary assistance and state the period during which shareholders may apply to the Company for such equipment or assistance and other relevant matters to be noted.
